PARALLEL KITCHEN

Optimal Use of Corners for Efficient, Versatile Kitchen Layouts

A parallel kitchen, also known as a galley kitchen, features two parallel countertops with a walkway in between. This layout is highly efficient for cooking and is often used in professional kitchens due to its practicality.

PARALLEL KITCHEN

- Dual Workflow
- Ample Counter Space
- Efficiency
- Storage
- Privacy
- Multiple Users
- Professional Style
- Balanced Design

OPEN KITCHEN

Optimal Use of Corners for Efficient, Versatile Kitchen Layouts

An open kitchen is a contemporary design concept where the kitchen space is integrated with the living or dining area, creating a seamless and spacious environment. This layout is increasingly popular in modern homes for its sociability and versatility.

OPEN KITCHEN
